

For Immediate Release

Registration Opens: HKSH Deputy Medical Superintendents to Host Centenary Lectures to Help Groom Young Minds

(1 November 2022, Hong Kong) In celebration of the 100th Anniversary of Hong Kong Sanatorium & Hospital (HKSH), HKSH will host two Centenary Lectures on 19 November and 3 December alongside the Exhibition “The Centenary of Hong Kong Sanatorium & Hospital” which is currently on view till 30 December 2022 at the Hong Kong Museum of Medical Sciences. During the lectures, four Deputy Medical Superintendents of the Hospital will share their stories of studying and practicing medicine in hopes of inspiring young people to engage in the medical and healthcare field while they explore their career path before entering universities.

Since its inception in 1922, HKSH has been committed to advancing clinical development and medical education. Over the years, HKSH has joined force with the two medical schools in Hong Kong to provide internships for medical students, support specialist training and clinical placement for doctors, and set up endowed professorships at universities to advance medical research and foster knowledge exchange.

Building upon a 100-year legacy of nurturing talents, HKSH Deputy Medical Superintendents and Assistant Medical Superintendents from various specialties, namely Dr. Joseph CHAN, Dr. CHOW Shew Ping, Dr. Raymond LIANG and Dr. William WEI, are invited to share what motivated them to study medicine at their young age, the differences between medicine and surgery as well as anecdotes of their daily work. Details of the lectures are as follows:

Internal medicine & Obstetrics and gynaecology

Date: 19 November 2022 (Saturday)

Time: 14:30 – 16:00

我想做醫生!

「養和百年歷史展」講座

「做醫生」是不少人的兒時夢想，那麼要成為醫生需具備甚麼能耐？醫學專科眾多，環環相扣，外科、內科又點分？我若想在入學選擇醫科，需考慮甚麼因素？醫學生如何決定自己將來適合當內科醫生，或「操刀」做手術，還是從事醫學研究？養和醫院四位副院長陳煥堂醫生、周肇平醫生、梁憲孫醫生和章霖醫生，與大家分享他們的心得，以及他們讀醫及行醫的心路歷程。

幾位醫生亦會與大家分享日常醫務工作及有趣故事，希望藉此啟發年輕人更深入了解醫科以及與醫療科學有關的科目，讓有志從醫的同學在大學選科前認識更多。
